

PMHS names Christie Blomquist as Director of Facilities Management. Christie is a graduate of Cornell School of Hotel Administration. She most recently served as a Program Manager at MBI, Inc. where she managed the marketing and financial assessment of various products. Previously she served as Financial Analyst in the Commercial Real Estate Group, Investment Banking with Deutsche Bank Securities, Inc. where she performed a variety of analytical functions with commercial real estate feasibility and transactions. As part of these functions she performed extensive asset, operational, and financial due diligence on various projects. On one project she assisted with the underwriting of the \$430 million hotel acquisition of the Hotel Nikko Tokyo. As an added plus, Christie served as Teaching Assistant in the Hospitality Facilities Operations Program at Cornell.
